

Coordinating Conjunctions

Lyrics by GrammarFlip

FANBOYS unite! Let's connect and write!

Coordinating conjunctions make your sentences tight.

For, and, nor, but, or, yet, so —

Conjunctions join ideas wherever you go!

"For" gives a reason; it tells you why:

I wore my coat, **for** it was cold — oh my!

"And" adds more; it's a handy friend:

I grabbed my hat **and** walked around the bend.

Coordinating conjunctions, they do their part,
Connecting ideas and showing their heart!

Coordinating conjunctions make your sentences tight.

For, and, nor, but, or, yet, so —

Conjunctions join ideas wherever you go!

For, and, nor, but, or, yet, so —

Conjunctions join ideas wherever you go!

"Nor" is for neither; it cancels things out:

I don't like peas, **nor** sauerkraut.

"But" shows contrast; a twist in the flow:

"I tried to win, **but** I ran too slow."

Each little word has a job to do,
Making connections for me and you!

Coordinating conjunctions make your sentences tight.

For, and, nor, but, or, yet, so —

Conjunctions join ideas wherever you go!

"Or" gives a choice; a decision to make:

Will you have some pie **or** a slice of cake?

"Yet" shows surprise; an unexpected way:

I was so tired, **yet** I danced all day.

"So" gives results; it wraps up the show:

"It rained all night, **so** now the plants can grow."

Coordinating conjunctions make your sentences tight.

For, and, nor, but, or, yet, so —

Conjunctions join ideas wherever you go!
