

Linking Verbs

Lyrics by GrammarFlip

GrammarFlip

Linking verbs connect the two;
The subject and its state—yeah that's the truth!
No action here, just words that bind;
Linking verbs are right on time!

She is happy; the day is bright;
"Is" is a linking verb – yeah you know that's right.
The sun feels warm, he seems tired;
Linking verbs connect and describe!

Linking verbs connect the two;
The subject and its state—yeah that's the truth!
No action here, just words that bind;
Linking verbs are right on time!

Linking verbs connect the two;
The subject and its state—yeah that's the truth!
No action here, just words that bind;
Linking verbs are right on time!

The soup smells good; the breeze stays cool;
Linking verbs play by grammar's rule.
He became a chef; the sky looks blue;
They link the subject with a state - that's true!

Linking verbs connect the two;
The subject and its state—yeah that's the truth!
No action here, just words that bind;
Linking verbs are right on time!

I am a teacher; the class is fun;
Linking verbs show what's going on.
The stars look bright, the night feels calm;
With linking verbs, you can't go wrong!

Linking verbs connect the two;
The subject and its state—yeah that's the truth!
No action here, just words that bind;
Linking verbs are right on time!
